“ *Marilyn, Jackie and family,*

We are sorry for your loss. Jim will be missed. His servant heart was special. His friendship was a blessing. Clearly, he touched countless lives bringing reassurance and compassion when it was most needed. His wisdom and his gift of problem solving was amazing. Because of Jim's life long commitment of helping to improve the level of training, equipment and response the Fire/EMS service has been changed for the better. He was a mentor before mentoring was popular. His influence led me to my career in the Fire Service, to which I am grateful.

May God bless you all as you go through this difficult period. We will keep you in our thoughts and prayers.

*Blessings,
Robert and Kimm Eick*

Robert, my Big Brother, and Kimm, thankyou so much for your friendship and luv. Bob, Dad loved having you to mentor, but Im sure you helped teach him a thing or two also. He was sooo very proud of you making Firefighting your full time career. When you became Chief he just beamed. Thankyou! Luv and hugs to you both!

“ *A few times in our life God blesses us with a very special friend. Jim was one of those I cherish and meant more to me than he knew. He was a gentlemen, a mentor, a supporter and one heck of a fire fighter. He supported me through my time on the Board of Directors of the MSFA and especially my year as President. Our loss is heaven's gain. RIP my friend.*
