*“ We are deeply saddened. Rest peacefully Uncle Jim. As I child I always loved our visits with your family in Swartz Creek. In later years, we were priviledged to have you move close by and spend more time together. You were a very caring man, always ready to help anyone if needed. You will certainly be missed, but never forgotten. Aunt Sandy, Mike, and Dave - you are in our thoughts and prayers duing this difficult time. Please remember we are only a phone call away. May care and love of those around you provide comfort and peace to get you through the days ahead.*

“ A lot of wonderful memories of times spent with uncle Jim. Fishing, talking, reminiscing.... through the years he had taught me a lot. How to run his back hoe, weld, fish, and so many other things. I will forever cherish our time spent together and will miss him often. He was one of the most giving, generous, influential people I know. Love and prayers to all...
