“ Barry and family, your mother was such a sweet lady. We had some pretty good laughs when I seen her. Losing a mother is never a pleasant time and I feel for each and everyone of you. Stay strong. Your momma is up there with my momma and more important she is with the other person that helped give you life. God speed. Rob Genis

“ Janet was a wonderful women and friend! I worked with Janet for many years at Walbro's had many good laughs with her. Janet had a wonderful personality that always lit up the room. She will be greatly missed by her family and friends.She touched a lot of peoples hearts in her life time . I will never forget my 1st week of work and got my sweater sleeve caught in a large drill.It pulled my arm right into the machine. She shut off my machine ,laughing loudly as she always did.I had a large hole in my sweater,but still had my arm! She said go find another jacket to put on in the lounge so one sees that hole or your gone.She saved my arm and job!She became a great friend from that day on.Mentoring me thru the jobs there.I am blessed to have met such a wonderful Lady.Now she is in Heaven and no doubt smiling and laughing with the Lord!Janet always loved to laugh!
