Jean, Jean the dancing machine! It just won't be the same without your smiling face at the scrapbook events we have been to together for the past few years. My sympathies go out to your family but I know that your pictures and scrapbooks will help with the memories everyone has of you.

Rest in peace

“ With heartfelt condolences to the family of Sweet Jean who touched our lives while living in Corpus Christi, Texas. I met Jean through my daughter Tracey Ann at their place of employment. From the first moment we met, there was no "hi nice to meet you" no, it was the most radiant smile and hug (a good thing because I'm a hugger) Thereafter, we shared so many outings, meals, dancing, Christmas parties at Dr. Estrada's and I in particular remember when the two of us went to Kingsville to attend the Navy Ball with my friend Rose. Jean, I know that Heaven has gained an angel who will watch over her loved ones and whose memory will forever be in our thoughts and in our hearts.

To the family and all of those blessed to have known Jean, keep the memory of your beloved mother, grandmother, sister, aunt, cousin and friend that God will keep her beautiful soul. May she rest in peace and eternal light shines upon her!! Rest in peace dear Jean!!

Oh Jean, I'm a wreck. You were the glue that held so many of us together. Your positive spirit always amazed & sometimes baffled me. How can you ALWAYS see the positive in someone? My inspiration is to one day be just like you. I can hear you laughing at that remark but dang it, it's true. You are So missed already. Seems like a horrible, horrible dream. I love you & know you've gone to a better place, so please look over all us family and friends and guide us to be just. Like. You.

Love always, Ivan & Lori Messing

“ *She was always smiling, loved her family, and will be missed always. A piece of my heart has gone to heaven on this sad day.*

“ *Jean leaves behind a legacy of service and dedication to her community that is not only admirable but astonishing. I first met Jean through our joint efforts at the Huron County Community Foundation, but soon learned that she had an impact on nearly every other community service organization in our community. Everyone knew and loved her. Her unexpected passing leaves a huge hole in her community, but the impact of who she was to everyone that knew her brings peace in such a sad time. I'm thankful that I had the opportunity to know and work with Jean.*

“ *Will never forget her smile and always time to share. She will be missed terribly. Our hearts are hurting. Hugs to her family as they face the next few days and there after.*
