“ Jerry was a fun guy to be around, always a smile on his face, many a treasure hunt we went on with him and Jill, could always count on Jerry to know what roads were where. Always lending a helping hand where needed. Going to miss doing beets with him, giving his big wave in the tractor with a huge smile. You will be missed my friend.

“ I came to know Jerry through Jill while working at Harbor Beach Community Hospital. During that time Jerry was on the Booms Builder crew that built our home south of Harbor Beach. I've told many people about the quality of work that crew did and it was always comforting to know that Jerry was giving our home special attention. Jerry was a very kind man who was committed to his family, he will be missed and our condolences go out to his family.
