when my children and I first moved back to Harbor Beach Jill was the first little girl who welcomed my scared little girl with open arms at school, my daughter was in 3rd grade at the time.. my husband and I have a musical ministry and met Jill again at a service we were doing .. My husband and I prayed with Jill she asked us to keep her in prayer.. seeing this my heart is broken and I am praying for her dear family.. we truly believe Jesus is gently holding her wiping every tear away.. May The Lord Hold Jills Dear Children all their lives and May they know His Goodness

I chose a purple candle because purple stands for Royalty and she is now with Royalty, Jesus Our King Of Kings And Lord Of Lords

“ *As her chaplain it brought me great joy to observe her faith and faithfulness. She always participated in church services and Christian movies with us, and how she encouraged the others as well as us.*
