“ *My mother, Colleen Lewis Dickinson, was Joan's cousin from the Chesney side of the family. Joan and Robert drove up to Gaylord, MI for my father's memorial service in Oct. of 2007, just a week or so before Robert passed away. Ever since then Joan sent me a Christmas card every holiday and we kidded each other about both being named "Joan".*

*When I saw Joan in 2007 she looked so much like my grandmother Martha Chesney Lewis Mitchell! The resemblance was uncanny. She had some great stories about her "Aunt Mart". It meant so much to me that she and Robert made the trip to Gaylord. It meant a lot to my mom, too, though she had dementia by then and wasn't always able to think clearly.*

*Anyway, I'm sorry for your loss and I just want you to know your mother touched my heart with her childhood stories and her Christmas card notes every year. May your memories help you as you grieve her loss.*

*Sincerely,  
Joan Dickinson Hager

“ We'll miss Joan. She was a wonderful person. We can never thank her enough for her 2 precious kitties (as she called them). I'm sure she will watching over them. Thoughts and prayer for her family.
