“ I have so many memories of Uncle Jack and his jokes even from way back as a kid. I will always picture him with Aunt Elaine at their house on the lake which he loved so dearly. He gave so much of himself to the community and as a public servant. Luke thought Uncle Jack had a great sense of humor. Luke is serving in The United States Army and will be sending a salute Uncle Jack's way on Saturday.

“ There was always an Uncle Jack in our family. So many memories. He good naturedly hassled waitresses which they seemed to love. Teased us until we laughed and you couldn't help laughing. He'll be missed.

To our neighbor and good friend. It is with great sadness that we realize that there will be something missing from our up north visits now that you are gone. We will no longer be able to have our visits and hear your jokes. You are gone from sight but not from our hearts. You will not be forgotten. Praying that you and Elaine, together, rest in peace. Mike and Trish
