“ *Carol so sorry to hear about John I was in Vietnam same time as John he was in DaNang and I was in Saigon , if you remember we were at Fort Campbell at the same time. We also visited you and John after we both were out of the service. I was living in Sidney, NY at that time Nancy and I are now living in Concord, NC. John was a good friend I wish now that we had kept in contact . Again I am so sorry to hear about John.*

“ *Carol, I'm saddened to hear of John's passing. I remember his passion for photography and how he developed black and white pictures (I still have the ones he took of me), the Friday nights Dave and I would visit with him for a bit at A.H. Peters (I think that was the name) and the year you let me tag along in your van for a trip to Florida. These memories bring a smile to my face. I hope your memories bring you comfort and help you through this difficult time.*

“ John was so proud of his girls and their families. I was fortunate to spend time in Harbor Beach with he and Carol in September. We had such a good time, sitting out with the beautiful fire he built every night, drinking a glass of wine and just reminiscing about anything and everything. Carol, you know my heart goes out to you and your family. Love you Cuz. Lynda

“ I can't believe Big John, as I knew him, is gone. He was one of the nicest men I ever met - not a mean bone in his body. I know he so wanted to grow old w/his family, but the Lord had other plans. We did have some good times together - wish we would have had more. He will be sorely missed by so many, I know. Good on ya, Big John. Well done. A life well lived. David C Kerr - brother-in-law

“ A beautiful tribute to a lifelong friend. Our hearts and prayers go out to Carol and ALL in the family. John leaves a legacy of love, laughter, and so many wonderful memories. He was a faithful witness of God's love, and a friend to all who knew him. We will dearly miss our sweet friend and his zest for life, but rest assured we will see him again one bright day. When we all get to Heaven, what a day of rejoicing that will be. Love, Jerry and Janet 🙏❤️🙏
