“ My sister Judy...

Always a breath of fresh air. When around her it's as if any troubles evaporated from the room, and from everyone in it. Always an uplifting, fun, joyful atmosphere near Judy , which we were all blessed to experience. I'm sure even strangers felt 'touched by an angel' after a little chat with Judy.

Once, after a pleasant visit with her, I got in my car to head home and found a surprise on the seat. It was a Yanni CD called Snowfall. Judy had taped a note to it that said "June, hope you enjoy this CD. Quiet music on your way home". Then her trademark smiley face with her signature. I tucked that note into the front CD cover, right over Yanni's handsome face, so I could always see it. (No offense, Yanni). I still play that CD often, especially when enjoying my alone time in my kitchen.

Judy extended this loving-kindness to everyone. She was an unassuming, gentle, understanding human. Jesus said that in heaven we will be like the angels. So we still have Judy with us. She's now Angel Judy, and she's in heaven, whispering in Jesus' ear on our behalf. So blessed!

I send my love to my nephew Tom, nieces Julie, Colleen, Kathy, Christine, Janny, and their spouses, kids, grandkids, and puppy-kids.

💙 June/Aunt June

“ *Julie, Colleen, Kathy, Christine, Janet and Tom. Sadness and joy reside in the same moment as it so sad to see your Mom's passing but I felt so much joy in knowing that she was a part of my life. She raised six beautiful, kind and thoughtful kids who had an impact on my childhood. I admired her soft strength that secretly kept life moving along. My heart is with you.*

“ How fortunate am I to be the daughter of this magnificent woman. She held the strength of 1000 men in her soul with her kindness, smile and wit. So many fun and meaningful times spent together always putting love into everything she did. A piece of me has died yet my heart has grown bigger to carry you with me, my dear Mom, everywhere until my days end and you greet me at the gates. I will love you forever.

What an amazing and special bond you had with your mother. I envy your relationship and it only makes me want to be a better daughter and a more loving mother. I never met your mom, but I felt like I knew her from so many times you spoke of her or I over heard you speak to her on the phone.
I'm happy to know she went peacefully and enjoyed her last days in peace surrounded by her beautiful children. We should all be so lucky to be loved or be loved by such an amazing women. Bless her strong heart!

Love you Janet ❤️

“ To Judy's beautiful children, grandchildren, great-grandchildren and sisters Janet, Joyce, June, Joan and Jackie- you are in our prayers and have our deep sympathy for the loss of your mother, grandmother and great-grandmother, and sister. Judy had the most loving heart in the world and her legacy of love will continue forever. We take comfort that she is at peace and is reunited with her parents Don and Rita Blalock, and her sister Jerrie. All the memories we have of Judy make us smile and we and all her nieces and nephews will miss her dearly.

We will always love you, Judy.

I will always remember the summer days we would spend with our dear sister when we were young. So many fun times throughout our lives. The stories her kids would tell us about their adventures. She was an Angel loaned to us from God. Now she is back with her Heavenly Father. I will watch over your kids, Judy and I know you will still be watching over them. I will miss you but you will always be in my heart. I will think of you every time I play Yatzee. Love you tons, Joanie
