“ Karen was an amazing friend. She always kept me laughing and you never knew what would come out of her mouth. Whenever we talked on the phone, we never hung up without saying “I love you.” My life will never be the same without her and I will forever cherish my memories of her. Rest in peace my dear friend. I still love you with all my heart even though it’s broken. 💔

*Knowing Karen was to love her. She was so kind to me when going thru one of the most difficult times of my life losing my dad then my mom. Karen and Sam opened their home to me and even drove me to school. What a crazy time but they offered me the stability I needed at the time. Such loving people. They even forgave me when I ruined the boys school clothes with bleach! So many memories of their love and kindness I will never forget. Rest in peace Karen, I will look forward to seeing you again one day under better conditions!
Love to you Ricky; and the rest of the family. My thoughts and prayers are with you all at this most difficult time.
Much Love; Ann*

“ Karen was so loved by everyone. Even though I was besties with her little sis we would all go out and have the most fun ever!! Karen and I even worked together and would car-pool. I got pulled over for running a redlight (probably her fault LOL) and she was trying to bribe the cop with girl scout cookies we had bought at work. It worked because I just got a warning. I will miss her always. Carmella xo

“ Karen was such a joy! Her laugh was so infectious that the whole room would laugh just hearing her. She called me Ricky long after I was Rick--but that was OK. And, once I got the flu so she brought me a pot of her spaghetti and though I tried to copy it, just couldn't. She will be missed by the Hill Clan! Uncle Rick
