“ *I enjoyed going over to the farm and visiting with Lenora, and going out to the shed and seeing her old john deer she restored. Lenora and dad can enjoy their tractors his case and her john deer for a endless peaceful drive.*

“ *We have known Lenora for such a long time and I am so sad to hear of her passing. Dave and her would talk about all the military airplanes. They both have a love for them. We just had a great visit with her at her home a week ago, we miss visiting with her in church. She will be sadly missed. God Bless you Lenora.*
