“ *Dear Families*

*Was reminiscing about the first 10 yrs. we were in HB and how all the families got together for dinners and to play cards and the dances we went to --Your Mom could really Polka . The last time we danced together was at Dennis 80th Birthday Party--I was a little rusty but your Mom could keep the beat. Your Mom started me quilting --which I really enjoyed I made quite a few but nothing compared to what your Mom made ----also she was a champion wallpaper hanger-- my job was to slap paste on the strips-- and she would do all the hanging of the strips ---also could do ceilings by herself ---. We also helped each other with canning---we had lots of laughter and good times when we did these thing together---After we moved and came back for visit we always had a good time and lots of playing cards, --All good memories-*

*Jim, Patty, Mary, Roger and Ken(Joe) also recalled all the good times they had in H B.*

*All the Families and Myself send ---Our Thoughts and Prayers and Love to You All*

*May God Bless You All and ease You Sorrow-----Aunt Jackie*
