“ Please accept my heartfelt sympathy for the loss of Lorraine. It breaks our hearts when death separates us from the ones we love so much. The Bible assures us that God sees our pain and sadness and has promised that soon "death will be swallowed up forever." (Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again. (John 6:40) Until then, I hope the beautiful memories of Lorraine and these promises from God comfort you in the days to come.

“Lori truly made the world a better place. She provided love, laughter and hope for many. I know that every person she met has a great story to tell of Lori. We remember so many visits that left us in tears from laughter from her tales. As she once asked: "What if the hokey pokey really is what its all about...?" She is in our soul and will never be forgotten. Our lives are so much richer for having known her. We are all so very blessed to have had her touch our lives. Gary & Sheryl Lalonde

Gary & Sheryl,

As I was reflecting on her amazing life, sitting in her kitchen the other night, I was reading her inspiration magnets on her refrigerator. Her hokey pokey note made me laugh out loud because she had the best sense of humor. She could always make me laugh even at the most difficult times, even in her passing!! Thank you both for being such great friends to my mom and Aunt. Take care, Chad
