“ *Uncle Lyle was the best there was. I have alot of memories of him from when i was a child. Living right across the street from them, we seen alot of him. He would give us rides to school, I use to be so curious of the bell he had in his house for the fire department, and i remember asking him just about everytime i was over there about it. and with a smile on his face he would explain it to me over and over. He had patience with all of us kids that is for sure, He is in my heart forever. Rest in Peace Uncle Lyle.*
