“ *You and Betty were such good friends with my mother, Ruth Schott. The alumni group is getting smaller on earth but what fun they must be having in heaven, where there are no worries or pain. Please excuse my tardiness. I'll remember you in prayer. Priscilla Hudson priscillahudson42@gmail.com Sequim, Washington*

“ I remember the Schumacher family very well. I was their babysitter for years while Chris and Amy were growing up. We lived across the road. I loved watching the horses in the fields. Peace, prayers and blessing to the family.
