“ Aunt Margie was such a true blessing; she was a woman filled with grace, beauty, and kindness, I will always remember her gentle spirit, giving heart, and soft-spoken ways. She was a generous and loving woman that showed us by example what tenderness and thoughtfulness was really all about. My heartfelt sympathy and love to Uncle Doug, Kevin, Cheryl and Tim, and all Aunt Margie's grandchildren, great grandchildren, and extended family. I will be looking up to the heavens tonight in appreciation for her life...she will be the very brightest star.

*With Love,*

*I so remember Uncle Doug and Aunt Marge traveling to TC to pick up Wendy and I and then take us to Port Hope to spend a couple weeks with Grandma and Grandpa. (in my case it often drifted into months) Traveling to the Woodke farm was so entertaining, traveling down that gravel road and asking Uncle Doug to go 60 just so wendy and I could watch the dust fly looking out the back window. (I think it was a 59 chevy) I think it was in Aunt Marge's way.... I never heard her say a cross word to anyone, I think she could take care of business with just a look... I suppose I could go on and on about "the days", and that's what its all about. Someone once wrote "Life is a trip, there's a beginning and an end", I'm sorry to all, her's just ended to soon....*

“ I have many memories beginning at Alumni Elementary when Mrs. Davis was the playground supervisor. I often got into trouble for running around and chasing the boys who had stolen my hat. Being great friends with Cheryl throughout the years, created many happy memories of Mrs. Davis. I haven't seen her very much since she moved to Port Hope, but will always cherish the memories that I have. She was an awesome mom and person and will be missed by everyone who knew her. She was truly a blessing on earth and will continue her life in heaven. Love you Mrs. Davis!
