“ I have cherished memories of family vacations to Harbor Beach to visit Grandma, Aunts, Uncles and cousins. Always had a great time with Margie and her family. We spent a lot of time playing games but the Zinger's really knew how to play a wild game of spoons. My thoughts and prayers are with your family at this time.

PS

Wonderful memories with Marge and her family, as we live across the street from the family home, and having Kevin around with our three sons...great times! Although, I'm sure my three sons weren't always the best influence. I know there are more stories out there to be discovered. Marge was so talented in her quiet and humble ways. We enjoyed our chats, discussions and neighborhood fun. I'm so glad you are done with the difficult worldly journey, my sweet friend....enjoy heaven's glory! Love you!
