“ *Mrs. Woodward allowed herself to be used of God Almighty (Jesus is His name) so I could see His unconditional love towards me when she didn't even know who I was at the RIC in Chicago. The day Brian was to go home from the RIC he had a pizza party. I believe the whole floor was invited, I had never been to a pizza party before. Mrs. Woodward saw me in the wheelchair as I was looking at the pizzas thinking to myself, "That pizza sure does look good, and I would like to pick up a piece so I could bite it." I had just gotten in an accident in 1985 so I was new at this temporary quadriplegic lifestyle. Mrs. Woodward asked me if I wanted a piece of pizza and helped me eat that day, so I was one happy quadriplegic at that moment. I was able to see and hear God's love through her on that day. I thank God for her.*

“ *I was blessed to have spent a great deal of time with my Uncle Allen & Aunt Marge and made many trips to Lansing to visit John & Edith before they bought my grandparents farm near Newaygo. I was the oldest grandchild on the Woodward side of the family. I know Aunt Marge was greeted by many who have gone before her. She will always be in my heart. My thoughts and prayers to the family.*
