“ *I cannot begin to tell all the great memories I shared as a child over at the Pacholke/Duggan house. I was friends with Debbie, and all the rest of the children, we spent numerous hours playing, getting into trouble lol and having a wonderful childhood. You will always be in my memories forever and ever, my condolences to all family, prayers sent Nancy (Gerstenschlager) Schabel*

“ *Hello Duggan Family,*

I was searching for my mom's obituary when I saw that your mother has passed. Please know that I have many great memories of your mom and how nice she was to me. I also am grateful for the fun times I had as a kid at your home with all of you and the influence you had on my life.

Gratefully yours,

“ My sister Carolyn and I were so sorry to hear about Mary Jean's passing. Our hearts go out to her family. I recently wrote Mary Jean saying I wanted to visit her "at the farm" next summer. I remember so fondly the first Pacholke family reunion that she initiated at the farm in 1987. It was great fun and my daughter Kristin and I drove home to Maine with a Springer Spaniel pup we named Haggerty. Mary Jean always had a twinkle in her eye. I would have loved to spend more time with her.
