“ *Skottie,
I am so sorry to read the passing of your mom. (and also your dad).
I read her obit and I wondered if this was your mom (I figured it
wasn't as location is 2 hrs away from " home", we live in the thumb
so this was in our local obit!) I graduated with you, not sure if you
remember me! Sending my deepest sympathy to you and your
family! I am so sorry for your loss! Praying for you all!*

“ *I will miss Mary terribly because she was a great friend and bridge partner to me. From the first time I met Mary, I knew we would be the best of friends and that is how it turned out. My heart is breaking even though I knew she was sick and would be leaving this world soon. Now she and Bob can be together again, but it is still hard to imagine this world without her in it. I send my sympathies to her children, grandchildren and great grandchildren. God Bless You Mary. I loved you.*
