“ *We are saddened to hear of Maureen's passing. Our condolences to all who mourn her loss. We mourn with you. She was an important part of our life at a time when Jeanne's mother needed assistance with her care. Jeanne and myself, as well as Jeanne's sister and family really appreciated Maureen's help. It was good to have a family member looking after Theresa. We will miss her!*

*I wake up daily with a heavy heart.....
My sister was a giving person. Never harbored the past... she was forgiving and good to all she encountered.
I will miss her weekly calls and I hope her kitty cats all were adopted*
