“ I remember that she was my first friend when I came to Harbor Beach. She found me on the playground and asked me if I wanted to be her friend. I was 10 years old then, of course I wanted to be her friend! Who could resist her bright smile and infectious laugh?! As teenagers, we were inseparable, going to YFC events, hanging out at each others houses, putting hay on the conveyor, babysitting Paula and Julia, and sooo much more! As adults, life got busy and we didn't see each other much. It didn't matter, though because in our hearts we never skipped a beat. As soon as we got to see each other, she literally ran to me with a huge hug and kiss. We both usually cried tears of joy, too. We had so much history together, and it was always exciting to reminisce and talk about our children. We always had a heart to heart each time we were together.

There has never been a time where I haven't smiled or laughed when I thought about her. She was full of joy and sass that always looked on the bright side. Her face said it all...even when she was upset. She couldn't hide her feelings, even if she wanted to. She had so many facial expressions and usually what came next was the words. There was never any doubt that she was going to tell me (good or bad) what she thought. I admired and appreciated that about her. I will keep the memories, her laugh, her smile, her positivity, her strength, and her nature in my heart forever. I aspire to be more like her. I love her and her family. Her children, mom, sisters, brother, and all other relatives and loved ones are in my heart and prayers. I will support you however I can. You can call me day or night 616-894-6025 Much love....xoxo

“ My prayers are with the friends and family of Melissa. Life is but a vapor, the Bible says, and we do not know the day or the hour we will go on to be with the Lord. I pray that she made her peace with God, and that the family can do the same. I remember that she was a friend to me when I had no friends, and that means a lot.

“ Some of my most favorite memories of Missy are playing school when we'd come to visit, or playing in the hay loft. And getting together on a cold winter night and playing poker with the whole gang. She always gave the best greetings with a giant hug and a big old smooch! :) Love you and miss you always! RIP big cuz
