“ *Aunt Merle was my last living Aunt and my daughter was taking me for a visit summer of 2021 if allowed due to COVID-19. I'm so sad that cannot happen now as my last visit was three years ago. I was 12 years of age when Aunt Merle & Uncle Jack were married. It was the first wedding I had ever attended. They had a Gardena courage for all the sisters and even one for me. I still remember the aroma and how thrilled I was. I was married when their last child was born and Jim was only a month old when we visited. So many memories of the whole family as Jackie and Judy were growing up. Jackie loved playing ball with my husband Tom. One summer when we visited probably 1953 I was hospitalized in Port Huron and when released I couldn't drive 110 miles home so Aunt Merle wouldn't let me do anything but rest. She made me wonderful food for a week until I was able to go home. I will never forget her kindness. Tom and I loved this family very much. “ *Merle was a bright light during any visit, walking over to her sons house barefoot , inviting everyone to visit her and that kitchen sink was made just for her! Everyone else got a sore back from leaning over that sink to help. The laundry line, the raspberries and her salt and pepper collection. Fond memories and much love to everyone affected by her loss* ❤️🙏
