“ *Millie was one of the first friendly faces we met in Harbor Beach almost 10 years ago. She was such a kind lady always had a smile on her face. When I would bring my mom into the restaurant I would call ahead sometimes my mom had cancer and when she would come up for the weekend with us she would want crab legs. Millie would always say no problem and have it already for us along with her friendly smile and the table by the window. She was so kind with my kids and always had somethin kind to say to them. We all will miss you Millie God Bless your Soul.*

“ *My wife, Becky and I always enjoyed being served by Millie. She was such a friendly lady, especially to a couple of "outsiders". Her smiles always brightened our day. Many here have described her as a "sweet" lady and we certainly agree. Rest in peace and condolences to our friends Dean, Jim and Bob.*

“ *Millie, I will never forget your smiles and the twinkle in your eyes the last few weeks. We shared some stories of family (kid stuff) that either happened at your house or at mine. There were a lot of smiles and laughter. We will miss visiting with you when we go back to visit our family. Your room is empty but our memories will last forever. The love and comforting of your family given to all who cared for you is an exceptional quality that you instilled in your children. Will miss you.*

“ So very sad to hear of her passing :(I took care of Millie for some time and from the moment I met her, she stole my heart :(Her smile made my day and there was something about her eyes and the way she looked at you. Even though she could not respond back much to me, I sat and talked with her whenever I was working. We joked a lot, she always laughed and smiled. I feel we formed a friendship and she touched my heart very much.
Thoughts, prayers and hugs to all her family.
