“ *Like my sister Cheryl, my fondest memories of Aunt Pat are at my parents' cottage. She had a contagious laugh and told some great stories about her younger years. The most vivid memory, and the one that has stuck with me throughout the years, is how her eyes were always filled with love when she looked at your dad. My prayers and love to you and your family.*

“ Aunt Pat had an honest, open and refreshing view of life. She lived it and loved it! She always made me smile! We had some great conversations sitting on the deck at my mom and dad’s cottage . She will be missed by so many but so fondly remembered for her kind and energetic spirit! Hugs and prayers for all who loved her. And Aunt Pat , please give my mom and Uncle Ed a heavenly hug from me!
