“ I only got to know Mony when she became my mom's Earth Angel. She was a very caring and compassionate human being. My mom loved having money come over and help her with things. She would always say my friends here! She touched so many lives and we're all better for it. I will really miss her laugh. We lost our Earth Angel but God gained a heavenly angel. Going to miss you Mony. Spread those wings and fly!!! Thank you for being the person you were. Judy Rockwell

“ Mony was an angel that was sent to our family to help when we
needed it most with our mom. The love that she showed our mom
and our family is something we will always treasure and we know
she is in heaven with mom now. We hope they have a big table for
Yahtzee up there.

“ *Mony is a beautiful and gracious woman, no longer on earth but with the Lord Jesus. I, like everyone else have so many precious memories on Mony. Her kind soul and caring ways. She was a blessing to our family when we needed it most, she stepped in and very quickly became an adopted family member and friend. We could never repay her for the love and care she showed to our mom. Now Mony is in the Heavens with our Mom and I am sure they will be playing Yahtzee. I am forever grateful for this woman and will never forget her. God bless her family and hold them close.*

Monica was one of my best friends all through school and we maintained that bond with letters and my visits to Harbor Beach. She had a very hard life until her marriage. She loved her family so much and every patient or needy acquaintance. She was employed 30 years at the hospital. She was a very hard worker, dependable, kept a strong faith and very active at OLLH. She loved to garden and kept the yard neat. I'll miss her great sense of humor as well.

“ All I know about Mony is how much my dear friends, her daughter Annie and her son-in-law Doug, loved her, and how deeply her grandchildren loved her. By this measure she must have been a towering woman. Her passing leaves a hole in my friends' hearts. All our love goes to Mony's family and friends and those who loved her. -John and Carrie Cosby
