“ *From our Devine Texas family - We hold a special place in our hearts for Nelson. He was strong in his faith, and strong in his love for our grandma and we offer our sincerest condolences to everyone who was close to him. We did get to visit them in Michigan a couple of times and they were incredible hosts and tour guides. We shared stories and lots of laughs. We offer prayers of peace and comfort during this season of sorrow. Much love, Angie Friesenhahn & family !*

“ *My Step Grandfather was such a great soft spoken gentleman. We came to see him in Michigan from Texas three different times and I had the best time with him and my Grandmother. I may not have got to see him much but I prayed for him every day. He was always in my thoughts. I know he cherished the time with Grandma. My deepest condolences to his daughter Kathie and son Ronald and their families. Lisa Juarez*
