“ *Pamela gave me a gift, the gift of being a better person by watching her be an Angel on Earth. To watch her selflessness in taking care of her Sister for so long and never once complaining, but instead cherishing every day she got to spend with her beloved Terri. She had so much love in her heart for all of her family and friends, it has made me want to be a better person in her honor. I will cherish a lifetime of wonderful memories and friendship my dear Pamela! I will miss your laughter and sunshine....Rest in Peace my sweet Sister and Friend 🥺💕*

“ *Pam was a very selfless person, she gave of her time and asked for nothing in return. She was smart and down to earth with a heart that testified to her kindness and generosity. I was just talking to her the other day and honestly I can't believe she's gone. When I get to heaven I'll be sure to stop by and say hello to such a beautiful friend.*

“ Pam bowled on the Westland ladies league and my team “The Pink Ladies” fell in love with her. Her laugh and silliness were a magnet for anyone who wanted to have fun! When she stopped bowling, we adopted her as our mascot and she came to see us when she could. She was a true gift and treated each day as though it were her last. The Pink Ladies still carry you in our hearts and will miss you silly girl 🦋

She loaned me her shoes for homecoming. One time in beauty school she got in trouble for putting on her mascara during roll call. She was always smiling. Laura

Sending my heartfelt condolences to the family. Pam and I got to know each other about 20 years ago and stayed in contact over the years. She called me whenever she needed some emotional support. We had some intense conversations. I loved Pam because she always worried about others not considering how it impacted her. Last year she came to visit me when she stayed with a friend in Arizona. She shared with me her worries but some of the things we talked about were positive and uplifting. I will miss her very much, however, I know that she is in a better place where she will have eternal peace because she is with Jesus.

Pam was a friend and confidant more than anything else. She was a kind and compassionate soul. Never had a bad thing to say and was very supportive of her family and friends. I will miss her smile and wit. See you on the other side friend.
