“ *He was a gentle soul, a gentleman, and a loving person. I shall miss him very much. I draw comfort in knowing that he is no longer suffering. It is a new day for Paul, a bright and sunny day in which he will be with his wonderful mother Mary and his dearly missed brother Rod. When we are called, we shall enjoy our new day with all our other loved ones in paradise. Until then dear Paul, keep a cold one waiting for me!*

“ *once upon time my cousin paul,my dad, my uncle tom,and i, went deer hunting.What makes this such a special event was all the events that where taking place at the same time.We were headed up to the otsego to go deer hunting.This was the same day that president kennedy was killed.We listened to the radio all the way up.The rain turned to sleek. It was determined that we better stay that nite at otsego state park. We put up m dad,camper tent and went to bed. the next morning we wokeup to ice hanging down from the top of the tent.Made it to my uncle gel' cabin. None of us got a deer that season but that the way it goes.Now,lam 67years old ,and I have not seen Paul sence high school. How bad is that ?We even look twins.*
