“ *Pauline was my first nursing supervisor. She really kept people in line.and really had a handle on things as an administrator. Still, she as was mother's best childhood friend and she would tell me I looked like my mom. Rest in peace.*

“ I have a such fond memories of Pauline, she was the administrator at Home and Hospice Advantage when I worked as a Team Coordinator in Cass City. She was a wonderful boss, a compassionate person and a terrific story teller. I was captivated by how she could share her stories about her family so vividly. She definitely made an impression on the people in her life that she was close with. May god bless your soul Pauline. Carol Wrobel

“ Of course I remember Pauline from her nursing career, but mostly she was my mother's roommate when my mom was in for rehab. What a beautiful, caring soul. I would give her a hug and kiss her cheek. We talked about the ARK, I was going to visit the ARK. She told me it was beautiful. I came to love her in those short 2 months. Rest with the Lord Pauline. Janet Brown
