“ *What great neighbors growing up. Dr Young and Dorris let us use their yard for whatever we wanted. Their drive way to learn to ride bikes, their basketball hoop and only asked us not to play in the flowers a few times(lol). God comfort all the Young family now and evermore*

“ I was so young when I met Stu that I hardly remember life without him. I think I was about 18 or 19 years old. That was about sixty years ago just after he and my sister-in-law Mike graduated from Alma. I have known few men in my life who were so keenly devoted to family and friends as Stu. He was ALWAYS a gentleman, friendly and I loved my conversations with him. Sometimes we would talk for hours. I will miss him sorely!!!

“ Growing up in Harbor Beach, Dr. Young made such an impression on me, that I was inspired to study osteopathic medicine as well. I will never forget his kindness, by offering to be a reference, and writing my letter of recommendation for medical school. To this day I am still grateful, and am reminded of his compassion, kindness, and service to the community- what every family doctor should aspire to.

“ Kurt, Karen and Kathy: I am very sorry for your loss. Your dad, mom and your family were an integral part of my youth. Your dad and mom served as examples of how I wanted to be when "I grew up". Your dad was always good to me and all of our friends. As I sit here and stare at the picture of your dad, I am flooded with many memories of days spent at your home, all wonderful.

With Sympathy and Gratitude,
