“ Sue and family, our thoughts and prayers are with you.

I sure am going to miss the hugs when I would see him out and about.

My best example would be at the gas station at the same time. "Hi Randy, Hi Janet,

Oh just give me a hug." He could give the best hugs just saying Hello. This guy has been a family friend since the late 60's, he was a friend of my brothers and spent time at the house. Always treated me like his younger sister. RIP Randy.
