“ We grew up together, hung around with each other daily. Lori sent me a picture of me with some of the family and Randy had his arm around me, brought me to tears. Life goes on, we move away from home and lose touch with those that have been a big part of our lives. I wish it wasn't like that but it so often is the case. Though I hadn't seen you for a long time Randy I will still miss you and think of our friendship. God Bless you and keep you, Randy. 🙏❤️
