“ *I'm so sorry to hear of Richard's passing. He was a kind man with a great heart. I enjoyed hearing his stories of trips, service, work and his fond memories of Texas and fishing. I've missed seeing him since the last time we worked together before Covid changed all our lives. He will always be fondly remembered by my husband and I. Condolences to his daughters and grandchildren, whom he dearly loved and was so very proud to talk about and share pictures of. God bless. Elizabeth Herd*
