“ I've known Bob most of my life, first as a babysitter for his older children and then as a very close friend. There are so many memories I could share, but I just want to say that Bob was a good, loving, caring man.

When you had Bob in your life as a friend, you had a friend for life! I am deeply sadden by the loss of my friend and he will truly be missed. I love you, my friend, rest in peace.
