“ Rodney was my Uncle and was only 2 years older than me . Have many memories of our childhood. Rodney was very proud of his family and loved them dearly. Was an avid fisherman and spent many hours doing what he loved. Dave and I treasure the time we spent with my uncle and his family. He will be dearly missed. David and Jean Reinke

“ I just moved into his neighborhood in December. We were next door to each other. He was such a welcoming and lovely neighbor. He plowed my drive and always had a smile and a wave as he dug me out of the worst winter snows, riding like a knight on his blue tractor. Kindly and gracious, and a true gentleman. I really hoped to know him better this Spring when the snow was gone, so we could visit. So many will miss him, as will I. A good man, and a good neighbor, bless him. An honor and privilege to know him, albeit too briefly. He may not know how much better and easier he made my Winter, but God does. It was a simple act of kindness and grace. Good bye Good Man.
