“ My family owned the house next to Rose and Lawrence, and they were always so kind to us. I have many fond memories of the time I spent with them growing up, especially hearing Rose share how much she loved her family and her church in the mornings over coffee. It brings me peace to know that she is now reunited with Lawrence and with the Lord. My heart and prayers are with the family during this time.

“ The very first “official” day care provider that I found out about in Harbor Beach...,way back in the 1970s. I learned that she was “the best”....#1 choice....and there was a waiting list. It also became apparent that Rosie loved on her kiddos, made great coffee and operated a morning “coffee shop” in her kitchen on most mornings. She not only loved the kids, but also the entire families. I enjoyed seeing her in the credit union and in my store in later years. Most recently, we Smith Girls loved her regular support at Souper Tuesdays at the Methodist Church. She will be missed by many, applauded for her loving care and friendship and now is assuming her Angel role in heaven....still caring and loving others. Bless you, Rosie. We cherish the memories!!
