“ *Sincere condolences to the Maschke family. Although I never personally met your dear mother, I felt I knew her because of following her articles she'd write for the Huron Daily Tribune. I enjoyed them so!! When I saw her obit picture in the Huron County View, I recognized her immediately. God blessed her with a long life. RIP Ruby...*

“ Ron and Family, so sorry to hear of your loss. I remember your Mother. I was also sorry to hear that brother Bud passed away in March of this year.

“ She was a dear, sweet, and special lady to me. I spent many days and evenings with Aunt Ruby and Uncle Wilbert as a child and tween. I loved our walks up and down the lanes of the farm fields taking in God's country beauty, playing her small church organ, making homemade sausage, and sharing ideas and stories. I'll treasure our special fondness of one another always.

“ *Ruby Maschke came to my high school (North Huron High School in Kinde) In the late 1960s for career day and told me that if I want to make my living as a writer there is nothing stopping me. I should go make that dream come true. Bless you, Ruby. I took your good advice and celebrated my 50th anniversary as a continuously published writer last year. And I'm still at it. Ruby, your wisdom and kindness changed lives. Rest In Peace, knowing you made the world a better place. In appreciation, Pat Mroczek- former reporter at the Huron Daily Tribune and currently the communications manager at the MSU College of Engineering.*
