“ *Mom was very special to so many people...in fact everyone she came in contact with. She was the most giving person - and would help people she never met, but if she heard they needed help, she would provide whatever assistance she could. If I could only become half the giving person she was....*

I am missing her more than I could ever imagine but I will live with her memory. And there are so many wonderful memories! Love you with all that I am mom. ❤️

“ I worked with Ruth at LCBT many years ago. She had a sparkling personality, bubbly laugh and was one of the most organized, thorough and well liked staff Customer Service and New Accts staff we had. I'm not surprised that she was a Red Hat lady....that was her personality! My sincere sympathy to her dear family and many friends.

Eternal rest grant onto her oh Lord...and may perpetual light shine upon her.
