“ *Ruth Ann was my dad Bill Emerick's niece and I can't believe she passed away a year after my dad. In July 2016 she seemed so healthy. I feel bad I never got to thank her for making sure my dad made it to his Dr appts and for looking out for him. My heart breaks for her poor mother Lucille. My heart, thoughts and prayers go out to her mother and the rest of her family. Sincerely Theresa Ward*

“ Dear Aunt Lucille, Debbie, Belinda, Jeff and Todd, My heart breaks for all of you, as this seems like it's happened so fast. You know your are always in my prayers. I have to tell you, growing up, your mom always seemed like my Aunt, because you kids were more our age. She always got to eat at the adult table, LOL! So cool. I remember going to your granny's and always waiting for when Ruth Ann would come and bring the kids to play with. We had so much fun. Your mom was kind and always good to us. I don't ever remember her yelling at us, and I'm sure we would have deserved it (hahaha)...she always had a hug and a smile. I loved her very much. I will miss our "get togethers" with her when you come home Belinda. She was beautiful inside and out. My love goes out to you all. Shari
