“ *The holidays at my grandma's house were something that I especially looked forward to. She would have the inside and outside of the house all decorated for Christmas from the top to the bottom! All the goodies she made and the gifts that she picked out for all of us. Was so fun! At Easter she made always made some kind of unique container to put all the goodies in. We were spoiled! tons of goodies in them! Such wonderful times for me! They will be cherished always! Grandma, Grandpa and Uncle Louis will all be missed so much!*
