“ *I am so sad to hear of RuthAnn's passing - lots of tears. She was such a wonderful person! The thoughts that immediately come to mind are her positive attitude, pleasant personality, how she always put others ahead of herself and how much she loved her family. Although we hadn't seen each other in recent years, I am now very thankful for the times we were able to hang out together with our friends some years ago. My thoughts and prayers go out to the family. She will always remain in my heart. With sympathy, Diane Butler-Senger.*

“ Our heartfelt condolences and prayers for healing. When growing up in Algonac I made Ruthie’s imaginary friend “Pat” come to life. She was the youngest of my “sisters of the heart”. Jo & I would babysit for her and as she got older she would invade our pajama parties! We celebrated with the birth of each of her beautiful children. Ruthie was a gentle soul with a big heart, who cherished her family. She will truly be missed as everyone learns how to manage each day without her her with us. But now she is reunited with her dad and her mother whom she lost way too soon in her young life. She is now in perfect health with no more pain and suffering. Rest In Peace, “lil’ sis”. When I see a wispy cloud, I will know you are soaring with the angels.

“ So sorry for your loss. Though I have only met Ruth Ann on several occasions...Don has often spoken of his relationship with Uncle Bob and his times over to the house and fun times with all his cousins. I will miss her daily thoughts and comments on Facebook. Fly high Ruth Ann....you are now pain free. May God be with your family now and comfort them.
