“ I'll never forget all the times Cory and I would walk or ride our bikes to visit you. You would always tell us funny stories about our parents when they were kids and feed us cookies! :) I remember being the first one in my house to be up early in the morning and running to the telephone and dialing your number just so i could talk to you everyday. You'd always be sitting in your comfortable rocking chair, rocking away watching TV...and now it's going to be tough to walk in and see you not sitting there anymore. But you're in a BETTER place and we all can't wait till we see you again. Thanks for everything, I love you!!!!
