“ I'm going to miss Scot... He was a big part of the fall hunt during antler or gun... I think he coined the phrase “no worries I got this”... He was a true friend and a man of word he defined the word integrity. The world will be a lesser place without Scot... May he Rest In Peace ❤️

“ Will very much miss Scott..... Scott loved the outdoors and will miss sitting in the cabin, fire going in the woods stove, beer in hand, watching down the hill for deer, turkeys, squirrels, and the many birds that would be around..... loved every second of my time with Scott

“ I have countless great memories of Scott. One that stands out is those days when it was cold, rainy, or snowing..... stopping out at the cabin and Scott would have the cabin toasty warm..... Scott always had a cold beer ready for you and we had a great time just sitting in the cabin and watching the wildlife pass below the window....❤️❤️❤️

“ My condolences to the Wessels family. Best memory of Scott was during my childhood. We had a close knit group of families that would get together at the beach all summer. Those were some good times. May you rest in peace, Scott.
