“ Shari was that one of a kind person you met in a lifetime. Always smiling, always saying "hi" and usually made sure to bring everyone a birthday cake of choice when it was your special day. She had many interesting stories to tell about New Yawrk (I loved how she would say that) and her childhood....She also would bring some special candies to share. Shari's laugh is what I will remember most and that rub on the arm, big smile all while holding her coffee cup in the other hand....Fly High my friend.. Geeze did we have some great laughs....

“ Our deepest sympathies, love and prayers for Jim and family. I met Shari when I worked at H.B. Wire, she was one of the nicest, kindest and most beautiful people I have met. We shared our love of cats. She will be missed by all.
