“ I have always heard nothing but great things about Shirley. Shirley was my grandma's sister (Mary). After reading the words by others, those words were one hundred percent confirmed by all. We are sending our deepest condolences and thoughts to the whole family. We are thinking about everyone and sending our sympathies from Kentucky.

“ I just want to stay that Shirley was a very special lady and I have a lot of memories of her to last me a lifetime. She has been a part of my life from the early ages. I will miss her dearly and I know she is at peace and very happy now. The last time I seen her she had a big smile on her face and that is how I will always remember her. Thoughts and prayers to the family. God Bless You All at this time.
