“ I have been looking for Susan for years...We were best friends at Cooley high school and through college.--she at Michigan State and me at Wayne state. We used to drive up and down Woodward Ave. on weekend nights and go through the drive-ins flirting with the boys. I think we were 16-17.. She would drive her Mom's convertible with the top down. I will always remember Susan's laughter--it was so infectious.....
I have a picture of Wendy sitting on my bed with my cat when she was about one year old. Michael and I lived in Ann Arbor then while M went to U of M.
After we moved, she came to visit me in California twice--once with Jim. I will always miss Susan and I only wish I could have talked to her one last time! I didn't know she was sick..... Mary (Thomson) Moldowan, Sebastopol, California (Northern) 707 326-0306 cell phone.

“ Aunt Sue was always eager to spend time with the family and you always knew she was there. So funny and sassy. I remember when she went with my grandma and Me to Chicago when I auditioned for American idol and she had such a funny and entertaining way of giving commentary on the whole trip. She will be so missed.

I met Susan while working at Westinghouse and Bill and I introduced her to Jim, Bills cousin. We did a lot together when we all lived in Georgia. You will be missed Susan!
