“ *My Dear Susie, you have to be one of the the kindest ladies I have ever met. Just a couple of the kind of things you did. On a Sunday morning I called you and asked if you were going to the 11:00 Mass. You said yes and you would pick me up. When I saw the big van coming, I noticed Bernie was not driving. That told me, you both had gone to Mass Saturday and you were going again just so I'd get to go to Mass. I will never forget Bernie driving around to find the homeless man in a wheelchair that you had made food for. You had also washed some of his clothes and given him a blanket and pillow. You just don't find many people like you and Bernie. Until we meet again, I love you.*

“ *The Abraham's and Fuhrmans of Port Hope, MI send our condolences to everyone involved. We pray that everyone effected feels the loving arms of Jesus enfolding them through the actions and words of others. I know her kids, and my kids went to school with some of her grandchildren. Her memory will be eternal in the hearts of those that knew and loved her.*
