“ *We lost a gentle and sweet spirit when Tanya left this world. She had an understated intelligence and talent that gifted those she touched.*

“ *Tanya was a gifted story teller. She was working on Esther -- perhaps it is finished now with her new body and mind that has no pain. I loved her sweet spirit and smile and her love of the Lord. I am happy for her that she is with Him face to face. I pray for comfort and God's love for Dvonne and the family. Loving thoughts and prayers, Jean Swinbanks*
